

## **OUR MISSION:**

Abbott House, LLC strives to provide accessible, safe, efficient, and effective psychiatric rehabilitation services.

## **OUR VISION:**

To instill hope, improve mental health, social relationships and physical well-being through person centered care.

## **OUR CORE VALUES:**

### **EXCELLENCE**

We value exceptional service and continued quality improvement.

### **INTEGRITY**

We strive to embrace the highest ethical standards.

### **COMPASSION**

We support individuals on their journey to meet their goals.

### **RECOVERY**

We respect personal beliefs and aspirations of each individual.

### **DIVERSITY**

We identify ways to honor cultural differences and acknowledge individual values.

### **SPIRITUALITY**

We recognize the power of each individual's unique religious or spiritual perspective.

### **COMMITMENT**

We are committed to meeting the recovery needs of our residents, their family and the community at large.
